

Lemon Honey Signature Facial

Lemon Zest Enzyme exfoliates and brightens the skin with the antioxidant and brightening benefits of lemon, 8% arbutin, 6% lactic acid, 3% glycolic acid, and 2% kojic acid. It promotes deep hydration that protects from environmental damage while relieving the surface signs of aging.

Golden Honey Nourishing Mask is an exceptional emollient and lubricating mask that provides healing, protection and skin renewal. This mask contains the magic from happy bees- RoyalEpigen P5. RoyalEpigen P5 is a biologically active peptide that activates skin regeneration and radiance.

Skin Conditions: Dry to normal, mature skin with pigmentation.

For sensitive skin: Blend one part Lemon Zest Enzyme and one part Goji Berry Mask to buffer the enzyme.

Normal and resilient skin: Enzyme can be boosted with ½ pump of 20% Lactic Peel for more exfoliating and brightening benefits or ½ pump of Glycolic Acid for more exfoliating benefits.

Professional Facial

1. First cleanse with Pomegranate Antioxidant Cleanser or Green Tea Citrus Cleanser; remove with esthetic wipes, sponges, or steam towel.
2. Cleanse a second time with Green Tea Citrus Cleanser or Honey Brightening Cleanser; remove with esthetic wipes, sponges, or steam towel.
3. Tone with Cucumber Hydration Toner.
4. Apply Lemon Zest Enzyme with Skin Script Fan Brush in an even layer over the face for 7-10 minutes; steam is optional.
For sensitive skin: Blend one part Lemon Zest Enzyme and one part Goji Berry Mask to buffer the enzyme.
Normal and resilient skin: Enzyme can be boosted with ½ pump of 20% Lactic Peel for more exfoliating and brightening benefits or ½ pump of Glycolic Acid for more exfoliating benefits.
5. Remove with a warm steam towel or with cool aesthetic wipes.
6. Perform extractions if needed.
7. Apply 1-2 pumps of Ageless Hydrating Serum to the face.
8. Apply Golden Honey Nourishing Mask with fingers and massage over the face and leave on for up to 10 minutes and remove with warm steam towel.
9. Mist with Cucumber Hydration Toner.
10. Apply 1-2 pumps of Citrus-C Nourishing Cream to the face.
11. Apply one pump Tri-Peptide Eye Cream along the orbital bone.
12. Moisturize with one pump of Acai Berry Moisturizer (or appropriate moisturizer).
13. Protect with Sheer Protection SPF 30; warm a blueberry size amount in fingertips, evenly distribute over face and lightly press and pat into the skin until absorbed.
14. Apply a small amount of Ageless Lip Treatment to the lips.

Lemon Zest Enzyme

Professional Use Only. Lemon Zest Enzyme exfoliates and brightens the skin with the antioxidant and brightening benefits of lemon. It promotes deep hydration that protects from environmental damage while relieving the surface signs of aging. Arbutin and kojic acid also provide extreme lightening capabilities.

Tingle factor: 2 - 3

pH: 1.91-2.31

Skin Types and Conditions

Normal to dry skin, mature, sun damaged, hyperpigmentation and/or melasma
Formulated without animal, soy, gluten or nut derivatives

Key Ingredients

- **Citrus Medica Limonum (Lemon Zest)** is a natural enzyme to digest dead skin cells. Lemon also clarifies the skin, acts as a natural antioxidant, and lightens the skin.
- **Alpha-Arbutin (8%)** is from the bearberry plant and is a non-irritating skin brightener. It is a natural alternative to hydroquinone.
- **Witch Hazel** is a flowering plant; it is a strong antioxidant and astringent that is often used as a natural remedy for psoriasis, eczema, and other skin conditions.
- **L-Lactic Acid (6%)** is an alpha hydroxy acid working as an exfoliant, allowing dead skin cells to slough off and making room for regrowth of new skin. It improves wrinkling and roughness, and it softens the skin.
- **Glycolic Acid (3%)** weakens desmosomes, allowing dead skin cells to slough off to reveal healthier, smoother, brighter looking skin.
- **Kojic Acid (2%)** inhibits melanin production by inhibiting tyrosinase. It also provides gradual and continual skin brightening to relieve skin discolorations.
- **L-Ascorbic Acid** is the chirally correct form of Vitamin C and the most effective for the skin to stimulate collagen production. L-Ascorbic Vitamin C is an antioxidant that has been proven to increase collagen synthesis to maintain healthy skin.

Tips for Use

- This product has a shelf life of 2 – 3 months. One 4oz jar provides approximately 16 treatments.
- When using this enzyme on clients with rosacea or melasma, you may not want to use steam.
- Avoid contact with eyes, and flush immediately if contact occurs.
- Always use sunscreen after use of this product.

Formula Composition

Aqua (Water), Citrus Limon (Lemon) Fruit Extract, Alpha-Arbutin, Hamamelis Virginiana (Witch Hazel) Water, Lactic Acid (L), Glycerin, Ascorbic Acid (L), Kojic Acid, Glycolic Acid, Gluconic Acid (D), Gluconolactone, Citrus Sinensis (Orange) Fruit Extract, Lycopene, Solanum Lycopersicum (Tomato) Fruit Lipids, Trifolium Pratense (Red Clover) Flower Extract, Potassium Chloride, Alcohol, Alcohol Denat., Polyacrylate Crosspolymer-6, Xanthan Gum, Citrus Nobilis (Red Mandarin Orange) Oil, Citrus Limon (Lemon) Peel Oil, Citrus Aurantium Dulcis (Orange) Peel Oil, Aspergillus/Molasses Ferment Filtrate, Sodium Benzoate, Citric Acid, Sodium Hydroxide, Fragrance/Parfum

Golden Honey Nourishing Mask

Professional Use Only. This luxurious, golden-hued mask is a skin-repairing powerhouse, designed to hydrate, soothe, and replenish tired, stressed complexions. At the heart of the formula is Royal Epigen P5, a cutting-edge peptide that supports skin regeneration and promotes a brighter, more even tone. A decadent blend of honey and honey extract offers natural antibacterial and moisturizing benefits, while glycerin helps lock in hydration for lasting softness.

Skin Types

All skin types

Formulated without gluten or nut derivatives

Key Ingredients

- **Royal Epigen P5 (Pentapeptide 48) (3%)** is a peptide that accelerates epidermal regeneration for smooth skin revealing a more even toned skin.
- **Honey and Honey Extract** are wound healing, antibacterial and moisturizing.
- **Glycerin** is a humectant and draw moisture from the air to the skin to keep skin hydrated and prevent trans epidermal water loss.
- **Helianthus Annuus (Sunflower) Seed Oil** replenishes and restores the skin with nourishing fatty acids and amino acids to increase moisture retention.
- **Seabuckthorn Fruit Extract** is rich in Omega 7, vitamin E and carotenoids to promote healing
- **Zinger Officinale (Ginger) Root Extract** is an antioxidant and anti-inflammatory; stimulates microcirculation and has a warming sensation.
- **Phospholipids** assist in barrier repair, improves barrier function and protects from environmental aggressors.
- **Panthenol (D) Pro-vitamin B5** is skin-reparative, healing, moisturizing, and increases skin hyaluronic acid content.
- **Allantoin** soothes and calms the skin; relieves itching and irritation.

Tips for Use

- Apply a thin layer to the face with fingers and massage after cleansing and exfoliation.
- Remove with a warm steam towel after 7 – 10 minutes.
- Apply toner, moisturizer, and sunscreen after use.
- May cause a warm sensation or slight pinkening of the skin due to the ginger.
